

Ninety-Nines Fall Section Meeting

This seminar will provide pilots with important information as it relates to Light Sport Aircraft. The FAA definition, the safety of operation, regulatory compliance and proper maintenance procedures will also be analyzed. Don't miss this exciting presentation!

Directions: From I 70, get off at exit 55, towards South St.. Take the first right onto Monocacy. Go through the light, take the first right onto Hughes Ford, follow it around the curve. AOPA will be to your left. Please see Map Link.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
