

Moontown Airport (3M5) Annual Grass Field Fly-In

Paul Mather, DAR and Owner of M-Squared aircraft will present on the process of building and certifying Experiential Amateur Built Aircraft will be perfect for the audience. His experience as a DAR that has certified numerous aircraft and understands the intricacies and common mistakes of aircraft certification will also be discussed. Mr Mather will also a static display of the M2 Aircraft.

Directions: Take I-565/US72 East from Huntsville for approximately 8 miles. Turn right onto Moontown Rd (Moontown Fly-In sign will be just before the intersection on the south side of the HWY).

Proceed past the airport and turn onto airport drive (be aware of low flying aircraft landing RWY27) Follow directors for parking.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
