

The Art of the Perfect Landing

In seven simple steps you can improve your landings in any airplane, no matter what the wind, runway or approach conditions. Come learn the secret to consistently smooth landings.

Directions: Take Treeline Ave. to Terminal Access Road. At the first stoplight turn left on Air Cargo Lane. It will loop around the west side of the runway. After 1.8 miles turn left into the Training Center driveway and park.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
